

Build Your Equity with Our Expertise

Capabilities and Experience

- \$1 billion in single-family home transactions through 2016
- 4,252 homes sold nationally in 2016
- Sales success rate comparable to full-price realty agents
- One of the top 50 U.S. residential brokerages in terms of sales
- Equips customers with control over all aspects and costs of selling their properties, saving time, money and stress
- 50% savings on sales commissions for all customers, and even greater savings for many

USRealty.com is a national residential real estate brokerage that enables property owners of all sizes – from individual homeowners to institutional investors – to list and sell homes through the most powerful multiple listing services and websites, choosing how much commission they will pay. The ‘a la carte’ USRealty.com model means that sellers can decide which selling services and fees will help them save the most money and capture the greatest return on their real estate investments.

- Established in 2014
- Pennsylvania call center with experienced brokers and staff
- New York headquarters
